Five Riders make All AIC

The Riders had a very respectable 7-4 season this year. Freshmen filled key positions on both offense and defense which most teams cannot do and win consistently. The Muleriders had a very talented bunch though and they came through like veterans in many cases.

Five Riders were named to the All Conference Team. This is the largest number in recent years. Those named were tight end Eddie Choate, fullback Mike Rubinski, safety Steve Waller, tackle Edgar Montgomery, and tackle Max Adcock.

Team captains are from LEFT TO RIGHT: Eddie Choate, Gaylon Garrison, Steve Waller.

Riders win season opener

In their first game five Riders scored 40-0 for SSC on a wet field that limited passing.

The Riders were led by Mike Rubinski with 132 yards rushing, leading the nation for a week, and a stingy defense withheld the Warriors to 48 total yards.

In the home opener SSC lost a heartbreaker to Livingston U. 14-13. A 92 yard runback of a Livingston kick-off by Nelson Slaughter brought the Riders to that score. The two point try failed.

With 30 seconds remaining Sonny Bull attempted a 32 yard field goal, but it was wide and the Tigers then ran out the clock.

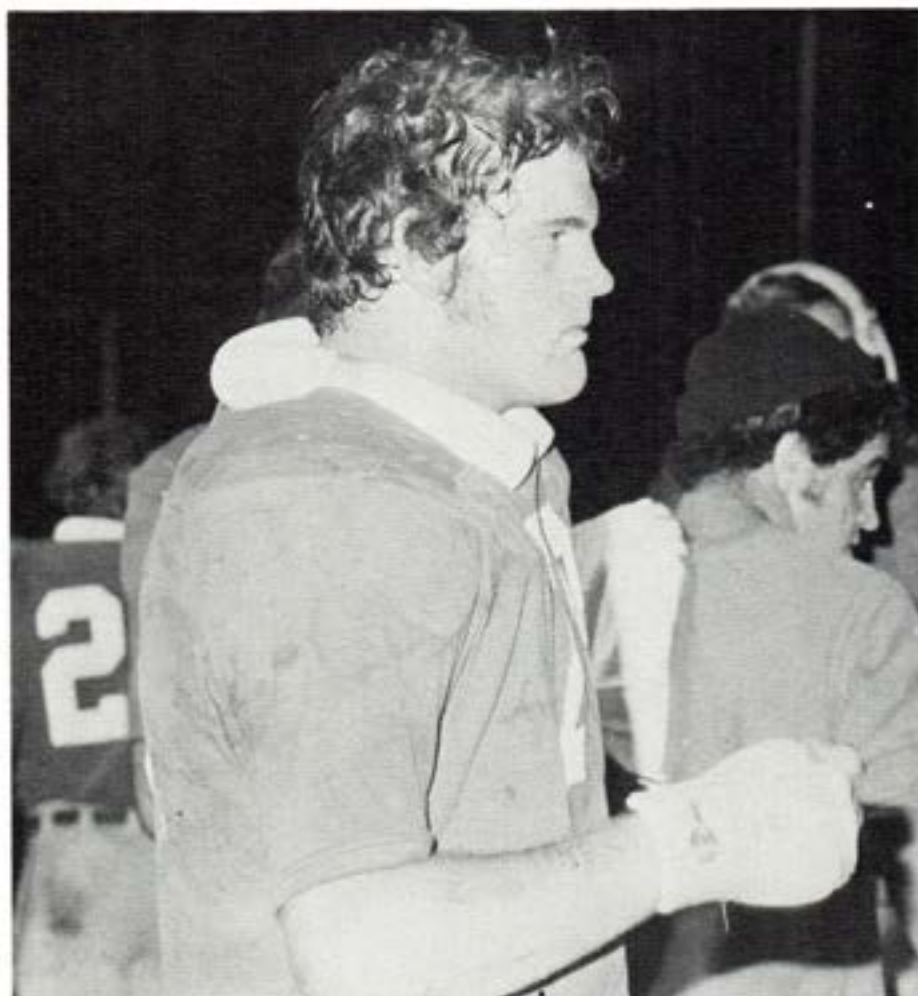

Southern State came back the next week to roar after Southeastern Oklahoma at Durant 34-7.

The Riders did everything right and scored on a halfback pass from Leonard Nichols to Eddie Choate.

Also scoring for SSC were Harold Williams, Steve Lamb, and Steve Waller, who ran an interception back for a touchdown.

Steve Lamb sprints around end against Central Methodist.

Chris Bowman takes a breather.

Mules shut out Methodists

The SSC Muleriders shut out Central Methodist 26-0, bringing their record to 3-1 in non-conference play.

Capitalizing on a fumble recovery by Gaylon Garrison, Leonard Nichols scored first for the Riders. Gary Wilson added the extra point.

Fullback Mike Rubinski scored in the second quarter from 15 yards out to make it 14-0 at the half. Rubinski scored again in the second half and Benny Harris added six more points by sprinting 16 yards to a touchdown.

The Riders next traveled to Texarkana to take on Bishop College of Dallas. Rubinski scored five touchdowns to tie a single game-scoring record as the Riders prevailed in a penalty riddled game 35-19.

Mules beat SCA

Mules opened the conference with an upset victory over SCA in Conway. The score was 27-7 as SSC's offense amassed 293 yards rushing against a tough Bear defense. Steve Lamb scored on runs of 1 and 32 yards. Harold Williams also scored twice from 73 and 4 yards out. SCA's only score came on their first possession of the game.

SSC's first conference loss came at the hands of the Henderson Reddies 33-6 in Wilkins stadium. The Rider offense failed to score and only a 60 yard runback of a Reddie fumble by Tommy Watson saved a shut-out.

Henderson's grueling ground attack gained over 300 yards in the Mules' worst defensive showing of the year. Henderson finished the season as conference champion and the second rated team in the nation.

Linebacker Gaylon Garrison cools off in the Henderson game.

Mules fall to OBU in Arkadelphia

Southern State lost its second game in a row to Ouachita 15-12 despite excellent play by split end Larry Reeder, who caught nine passes for 132 yards, and Mike Rubinski who ground out 123 yards on 24 carries.

One of Reeder's receptions was a 64

yard TD pass from quarterback Russ Bectleheimer. Rubinski scored SSC another touchdown on a three yard plunge.

Riders got a chance to win it all, but a fourth and three on the Tiger 16 failed and Ouachita ran out the clock.

Riders lose Homecoming in rain

In a game marred by six turnovers, Harding defeated Southern State for the third straight year; so the Riders' Homecoming ended 10-7.

A drizzle fell throughout the game and made handling precarious. SSC fumbled the ball three times and threw three interceptions.

The Riders' only score came in the

first period when Leonard Nichols rambled 25 yards to cap an 86 yard drive.

Harding kicked a 24 yard field goal with six minutes left to win the game.

This was their fifth field goal attempt of the afternoon after failing on the first four.

Season ends with victories

The Riders won a big game over Arkansas Tech 40-7 to end a three game losing streak.

Southern State rolled up 464 yards of offense in the game as Don Hawkins, Larry Reeder, Mike Rubinski, Steve Lamb, and Steve Wright all scored touchdowns.

In the final game of the year, fullback Rubinski became the first Rider in history to rush for over 100 yards and SSC defeated UAM 14-0.

Reeder scored both touchdowns on receptions of 9 and 36 yards. Calvin Bearly added the extra points.

Senior Steve Lamb runs for yardage in his last college game against UAM.

Leading Don Hawkins to the hole are Russ Bectleheimer and Mike Rubinski.

Cagers tie for second at AIC

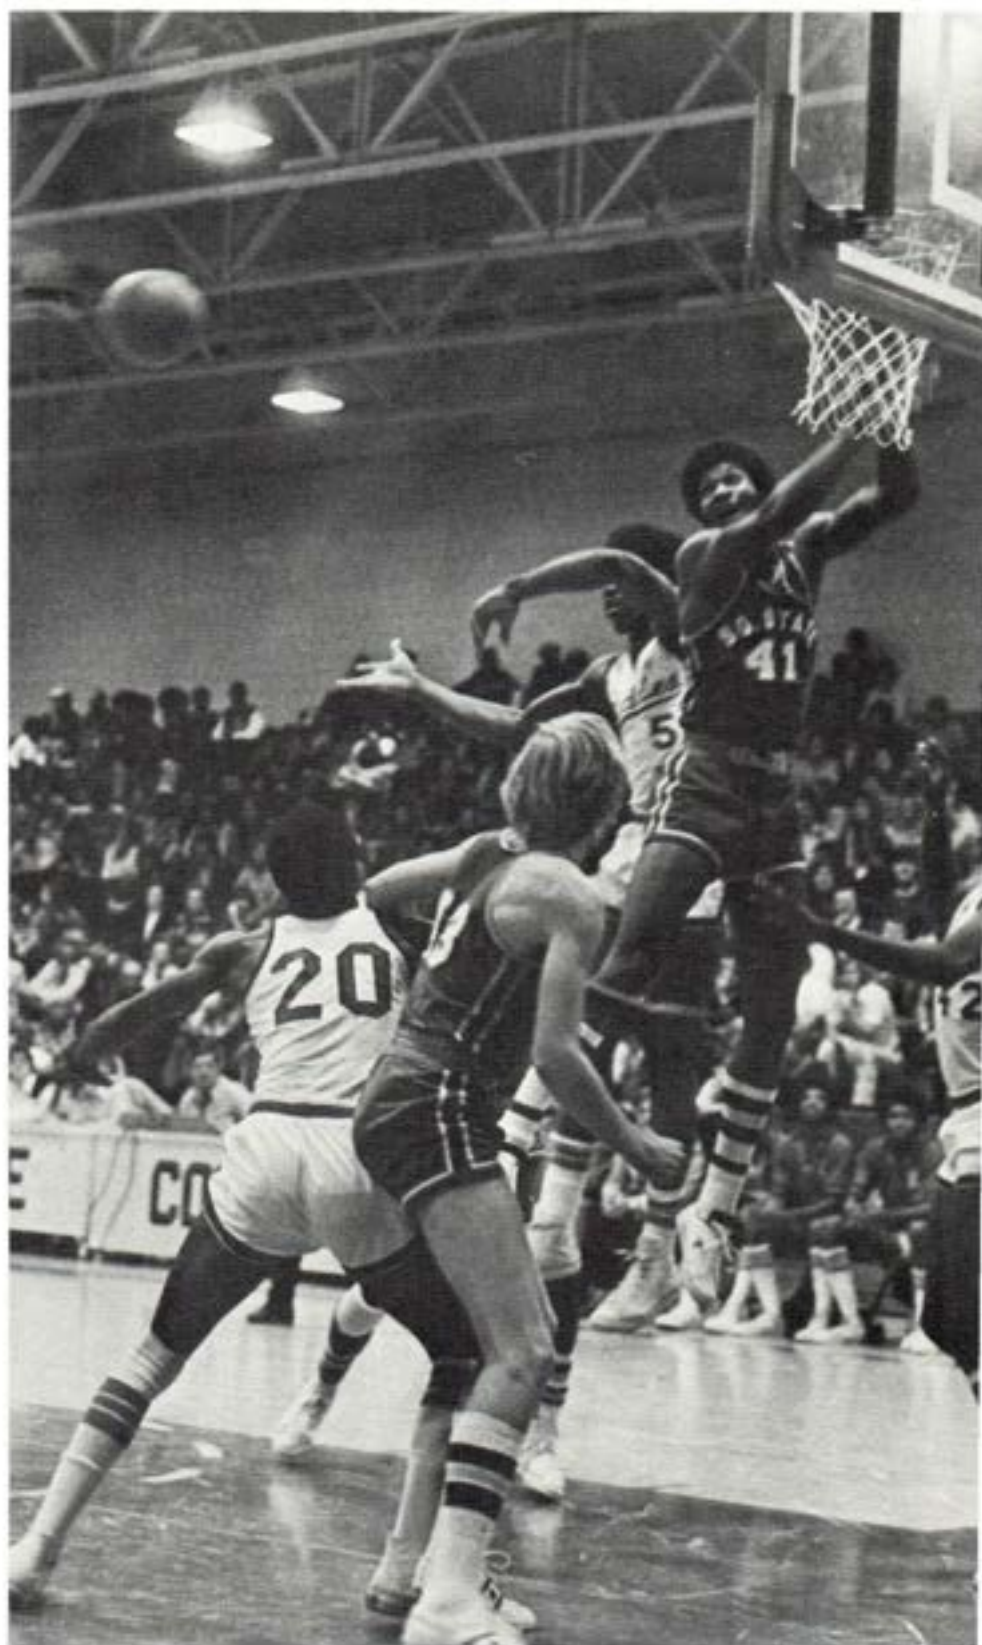

Southern State finished a strong second in the AIC race this year. They were tied with Ouachita and both ended up trailing Henderson which repeated as league champion. The Mules season record was an excellent 20-8 as they won the pre-season tournament at Conway and finished second to UCA in the District 17 playoffs.

Clifton Lewis, a junior from Little Rock led the Riders in scoring and rebounding with a 13.5 and 6.1 per game average respectively. He was also named to the All AIC and all District teams. Larry and Sam Biley made Honorable Mention All AIC.

Thinclads bid for AIC crown

With the return of a host of lettermen and the addition of a former Rider star, the Southern State College track team should be in the thick of things around conference meet time.

Led by senior Tim Henry, the conference's best miler, and sprinter Bill Brooks, who is returning from a stint in the service, the Rider tracksters should be at their strongest in recent years. Red Stevens, hurdler Chip Hairston, and discus man Don Brown also bolster the team.

Riders finish third in AIC

Led by senior Tim Henry's first place finish, the Riders captured third in this year's AIC meet. Henry finished 45 seconds ahead of his nearest competitor. This finish wasn't enough to overcome defending champion Harding's extreme depth, however, and OBU also finished ahead of the Riders. Fred Wilker finished fifteenth for the Riders and Bob DeJong twenty-third.

SSC won numerous meets in dual competition. After the conference meet Henry traveled to the national meet where he finished forty-fifth out of 411.

Swimming, tennis teams loses key men

The 75 edition of the Mulerider tennis team lacks many of the familiar faces that swept last years' AIC championship. Only one man returns from that squad that captured the top four places. With a little luck, this years' team will remain competitive.

The swim team also suffered losses. Butch Jordan was lost to graduation and Jerry Stinson failed to make grade requirements. They did pull out a fourth place finish in the AIC meet to add points in the All Sports race.

Riderettes capture second state championship

Margaret Downing's Southern State College Riderettes captured their second AWISA championship in as many years. The Riderettes lost many of last years team members but an influx of excellent freshman kept them alive this year.

The Riderettes traveled to the AIAW Region 4 play-offs and won their first game but lost the second to a much larger Stephen F. Austin team.

Women capture state volleyball title

After finishing second last year, the Riderette volleyball team put things together this year and were the AWISA state champs. This was the first championship of the year for any Southern State athletic team.

In the double elimination tournament at Conway the Riderettes came through without a loss while playing SCA, Henderson, UALR and Arkansas

Tech.

Perhaps the high point of the season was when the Riderettes defeated the University of Arkansas in two games, with time running out in both games.

SSC was coached by Dr. Margaret Downing. Starters were Janet Cooper, Kim Johnson, Sharon Ross, Jo Lee Riddle and Vicki Henderson.

PBL performs service projects

SSC's Phi Beta Lambda chapter, the largest in the Southern Region, capitalizes on public service. This year the chapter had projects with the March of Dimes and Bicentennial celebration for the country's 200th birthday. Using its academic background as a business fraternity, PBL reenacted the Flea Market as its major money-making project. In the fall, it hosted the state PBL workshop. One of the major contributions to the school was the presentation of Im-onaggie, a new mule and mascot named after Dr. Bruce and Optimaggie, SSC's first mascot. Other activities included a Christmas party, a banquet, and a Harvest Carnival pie-throwing booth.

Church groups also entertain

The Church of Christ Student Center offered college-level courses in Hebrews and Acts for academic credit. Also on a full calendar of activities were two retreats, Halloween and Christmas parties, and a special series of registration week activities. Weekly activities included a mid-week devotion, all-women devotionals and Sunday suppers.

A wide range of social and recreational opportunities was available for members of the Wesley Foundation, meeting at the Methodist Student Center. Besides fall and spring picnics, members attended a Fall banquet, and Christmas and Sweetheart banquets. A spring retreat was held in April.

The Newman Club, Catholic student organization, sponsored a guitar mass every month at the local Catholic Church.

Board sees big changes

Furthering plans for a more modern campus, the Board of Trustees saw Peace Library building renovated to house the Business department. Bussey Hall was air conditioned and the change from Cross Hall women's dormitory to Cross Hall social science and education building was begun. Also, a new stage and speech department classroom complex was completed.

The Board approved a new tenure policy for instructors and worked for greater financial support for the women's athletic program.

Bruce plans more changes

Other improvement plans were forwarded or in the making by Dr. Bruce.

A new armory, repairs and redecorating in Overstreet, new paint and waterproofing for most of the older buildings, and demolition of Old Main, Holt, and Jackson were among the consideration. When all scheduled changes and buildings are completed, installation value of SSC facilities can be placed at \$20,000,000.

Key people perform with aid of secretaries

The first people with whom freshmen to SSC ever come in contact — whether they know it or not — are those of the registrar's office, business office, and computer center. These people take care of finances, scheduling and enrollment for each student. Aided in their vast duties by the secretaries, the offices continue to function.
